911-BA	MEGAPHONE BRACKETASM	146.95
911-MUF	MUFFLERS includes bracket assembly, pair	510.95

Note: The Above Parts FITALL911 HEADER APPLICATIONS

**ADDITIONAL GASKET KIT** (Nuts, bolts, washers) . . . . .36.95

- SPECIAL NOTES**
1. . . Headers come with all gaskets, nuts, bolts and washers needed
  2. . . All headers, megaphones & street adapters are **sold in pairs only**
- Note:** These headers are a "new" design utilizing RSR collector 3 into 1 merge, scallop cut for better performance.

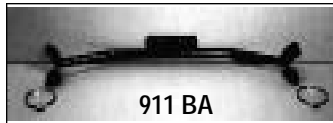

Pictured above are headers and megaphones with shrouds.

911-134 headers come black, these are Jet-Hot coated.

### TERMS AND CONDITIONS OF SALE

**TO CONFIRM YOUR ORDER:** We require payment at the time you place your order. We will ship within a day or two, unless some items are back ordered, in which case we will hold the order until all items are prepared and ready to send all-together. If we decide to ship a partial order, the information will be on your invoice included in the package.

**UPON RECEIPT:** PLEASE check your items. If the part is not correct for your application, or if there is damage, please call us ASAP, so that we can get it corrected for you. No returns or exchanges after 90 days.

**RETURNS:** No returns will be accepted after 90 days. No merchandise will be accepted without notifying our office first. Return shipment must be prepaid and include a copy of the original invoice of the item being returned. A 15% restocking charge will be made on all items returned unless due to our error. This applies only to unused saleable merchandise. No merchandise will be accepted if it has been altered in any way. **CHECK PARTS** before painting! Returned painted parts will not be accepted. **If you paint or alter part... we will not accept it as a return.**

**CLAIMS:** Damage must be reported to driver at time of delivery. Concealed damage must be reported to shipper and to us within 5 days. Keep the packaging for inspection, inform the freight forwarder as soon as the damage is discovered.

**SHORTAGE:** Claims for shortage, or error in shipment must be made in writing and sent to us within 5 days from receipt of shipment.

**INSTRUCTION:** Instructions are not provided as our parts are not generally considered as "do it yourself" and should be installed by qualified body shops.
